Financial Report accepted by the Board. Report indicates that there is $9,938.74 in checking Acct. and $112,035.59 in the CD.

The board voted to continue with the current contract with John Clegg Jr. for burials and cremations. The Board believes it is better to have one person doing the job to be consistent. Motion by Crista Peck. Seconded by Bradley Horstmann.

There was discussion on the following:
Bradley will post more information on the website about the cemeteries in Wolcott. There was mention of getting a plaque to put on the hearse house in remembrance of Cornelius. In the spring get a tree removal quote, Fix leaning stone in Davenport cemetery. Ask the Fire Dept. to clean more stones. Also get a quote to repair three stones in Fairmont.

What has been done - The flag is back up, and the new markers for Davenport have been set.

Meeting adjoined at 7:00 pm.

Respectfully submitted,

Belinda Harris Clegg
