    - Recap of Improvements: tote storage bins, electrical improvements.
    - The need for a core group of volunteers, at least for the bigger events, rather than ad hoc event recruitment and inconsistent commitments.

- **9:30 p.m.**—Future concerns
    - Review WAC Wants document—make sure we're on the same page.

    - Block party ideas—Does WAC want to take on coordination of a block party in 2027 or jointly with other town entities (e.g., Rec, Forest, Village Trust, the Town itself)?
    - Who has space for what—current schedule versus increasing the number of events, volunteer needs, pacing and sustainability.
- **9:50 p.m.**—**Financials**—where are we now? How much have we spent from different sources? New grants to apply for? How do we manage funding from different pots of funding (town budget funding, trustee funding, and grant funding)?
- **9:55 p.m.**—New Business.
